

testing::Test

Test

TypeParameterizedTestSuite< T >

```
graph BT; TPST[TypeParameterizedTestSuite< T >] --> TT[testing::Test]; TPST --> T[Test];
```

The diagram illustrates a class hierarchy. At the bottom is a box labeled 'TypeParameterizedTestSuite< T >'. Two arrows originate from the top of this box and point upwards to two separate boxes at the top. The left box is labeled 'testing::Test' and the right box is labeled 'Test'. This indicates that 'TypeParameterizedTestSuite< T >' is a base class for both 'testing::Test' and 'Test'.
